This area is noted for sheen obsidian: multi-colored rainbow, electric blue, green, mahogany-gold, silver, gold and pink sheen. Also to be found is mahogany, lace, double flow and needle obsidian. This area is located on Buck Mt. in the heart of the Modoc National Forest. The altitude ranges from 5000 to 7000 feet. A free permit is required for collecting which will be available at camp. In addition to the daily collecting trips we will have potluck dinners, happy hours, speakers, evening campfires, knapping demonstrations, tailgate displays, map exchange, and a great rockhound get-together.
