Dear Editors and BEACs,

So everyone has the opportunity to see what judges will be looking for when they judge entries for the 2008 AFMS Bulletin Editor's Contest, we are making the guidelines and sample scoresheets available to you online in pdf format. You will need Adobe Acrobat Reader to view these files. Acrobat is a free download. Also included is a list of authors and editors who are ineligible to enter the AFMS 2008 contest (these people won 1st place in 2006 or 2007), and a folder of helpful articles written by Diane Dare.

If you have questions or comments you can contact your regional BEAC (listed below) or any other member of the AFMS Club Publications Committee:
