PRESIDENT’S MESSAGE
Speak to me.

We are almost into the second quarter and the first sessions at Wildacres and William Holland are coming up. I really need to hear from you! Enrollment at both schools is down, but we say that the best thing the SFMS has to offer is the workshops. There seems to be much less interest than in the past and we need to know why. What do you want in the way of classes and instructors? What can we do to improve our workshop program? We have something no other Federation has to offer so let’s support it.

Ann Monroe, SFMS President

UPCOMING FIELD TRIPS

March 11-12, 2006: Fort Drum Crystal Mine Rock Swap/Field Trip, Ft. Drum, FL. Well-fossilized and calcified marine shells and other marine fossils. Fee: $20/day/adult or $8/day/child (15 and under). All minors are to be accompanied by an adult.

Refer to your local club/society newsletter for further information on the above field trips.

“Field trips are open to all members of associated clubs of the DMC program of the SFMS Field Trip Committee and to all members of SFMS member clubs who have provided their membership with SFMS liability insurance. Because of insurance requirements, members of the GENERAL PUBLIC are NOT invited on this or any DMC program field trips!”

2006 SFMS WORKSHOP UPDATE

Registration forms are coming in slowly for this year’s workshops. The Education Committee would like some feedback regarding the January start for registration. We felt that many persons find it necessary to schedule their vacations early in the year and that a January start would enable us to confirm SFMS members before opening up our classes to AFMS members outside of our Federation. An article has just been printed in the AFMS Newsletter inviting members of other federations to join us on a space-available basis.

Silversmithing classes at all three Wildacre sessions have already been filled. However, you may still request those classes as a first choice in case there are cancellations. You will be assigned to your second choice and later moved into a closed class on the basis of your postmark priority if there are cancellations. It may also be possible to add another class if there is sufficient demand and a classroom is available. But you must communicate with the registrars and directors so that we can meet your needs.

Advanced Faceting has been added to the August Wildacres class schedule. David Lonser who has been teaching at both retreats for many years will teach the course. This was not in the schedule published last November and we would appreciate it if Newsletter Editors would get the word out. Advanced Faceting has a prerequisite of Beginning Faceting and it is generally expected that advanced students have been faceting at home and will bring their own faceting machines.

Please keep a eye on the SFMS web site at www.amfed.org/sfms to keep up with the latest information on this year’s workshops.

EDITOR’S RAMBLINGS

I have been getting quite a few emails recently regarding receipt or in most cases, non-receipt, of mailed copies of the Lodestar. Article III, Section 8, Paragraph B of the SFMS By-Laws states, “The Editor shall distribute one (1) copy of each issue of the federation Newsletter to the President, Secretary, Editor and Program Chairman of each member Club or Society of the Federation; members of the Executive Board, State Directors, Committee Chairmen and Committee members, and to other persons who are active in the programs of the Federation, as they are requested or become known. The Editor shall also distribute copies to Officers of other Federations of like aims and purposes.” The current Lodestar mailing list/electronic notification of posting on the SFMS website includes the four officers of each individual SFMS member Club/Society that is current with regards to its membership enrollment (paperwork and dues, etc.); current SFMS Board and Committee members; select other Federation officers/editors (including the AFMS); past SFMS presidents; other select persons active in the programs of the SFMS; paid subscribers; elected lifetime subscribers; and other exchange bulletins.

I have the SFMS Webmaster post an electronic version of the Lodestar on the SFMS website by the 10th of the month of publication. I try to have the hard copies of the same month’s publication mailed by the 13th of the month. Please notify me if you are not receiving either a mailed copy of the Lodestar by the end of the month of publication or an notification of electronic posting by the 10th of the month (Lodestar is not published in June or August) if you are one of the persons listed above on the mailing list. Please make sure that your Club/Society has renewed its SFMS membership before notifying me. If you are not one of the person’s listed above, you can subscribe to the Lodestar using the form at the back of this issue or as posted on the website. If you have access to the internet you can also download the current issue after the 10th of the month for free.

The post office has also been very slow in delivering some of the hard copies. If you have internet access, please download a copy of the Lodestar from the website and let me know when you receive your copy in the mail. Better yet, save your federation some money and opt out of the hard copy and ask to be place on the electronic notification list and download it from the website as soon as it become available. Thank you to the 107 persons opting to go electronically.

Please be patient at this time of year; Joan White, SFMS Membership Chairman, and I are updating the mailing list to include new member Club/Society information based on the 2006 membership renewals.

FUTURE ROCKHOUNDS OF AMERICA

This article is a reminder that youth have an opportunity to be members of the Future Rockhounds of America sponsored by the AFMS Youth Program.

How to Become A Member of the FRA, the AFMS Youth Program:

1. Your group must be a member of your regional federation. This can be either through a sponsoring club or through an independent application to your regional federation.

2. Dues only have to be paid to the regional federation and thus into AFMS. There are no special dues for FRA.

3. The number of youth is not important… you can have as few as 2 and as many as you can handle.

4. Age: In most clubs the age at which one becomes an adult is 18.

It is simple: there is no mystery to joining. Just fill out the application below and mail it in. We are here to help you.

SFMS YOUTH RESOURCES REPORT
2006 SFMS YOUTH SCHOLARSHIP AWARD

The Youth Resources Committee Chairmen are pleased to announce that Elizabeth Siegfried is recipient of a 2006 Youth SFMS Workshop Scholarship. Elizabeth has attended SFMS workshops in the past both as self pay and as scholarship recipient. She has used her knowledge to promote our hobby as well as consigning her wire wrap items at her local hospital gift shop. We received a letter from Elizabeth’s Club president telling of the many ways that Elizabeth contributes to her Club. We know that Elizabeth will make good use of her week at a workshop and will write to tell us about it later in the year.

CONGRATULATIONS TO YOU, ELIZABETH.

BE SAFE – BE WELL

Safety Committee – Don Monroe, Chairman

In previous months I have submitted original articles usually dealing with issues that were current and filled a need. This month I am using material that I found in one of my old files. I do not know the author. I really wish I did so that I can give proper credit. I like the article and hope some of you will also appreciate the content.

SAFETY RULES

Jewelry making can be a most enjoyable hobby but there are certain hazards which must be avoided, and can be, by following a few simple rules.

* WORK SAFELY. YOU CAN’T GET BY ON LUCK.

* DON’T POLISH A WIRE OR CHAIN on a rotary tool without nailing the wire or chain to a board. This might wrap around the arbor and pull your hand with it.

* DON’T SET FIRE TO YOUR CLOTHING WITH THE TORCH. Fuzzy sweaters are dangerous.

* DON’T DROP THE TORCH OR FAIL TO TURN IT OFF. An explosion might follow.

* DON’T POUR WATER INTO ACID when making pickle; pour acid into water.

* DON’T TURN OVER THE PICKLE POT OR THE BOIL POT. Keep handles to the rear.

* DON’T PUT A LARGE PIECE OF VERY HOT METAL IN PICKLE. It might splash.

* DON’T PICK UP THE CHARCOAL BLOCK OR HOT METAL until you are sure they are cool.

* DON’T HOLD A PIECE BEING DRILLED with your hand; the drill might slip or break or the piece might spin when the drill breaks through. Use pliers.

* DON’T PUT YOUR FINGERS INSIDE ANY ITEM BEING POLISHED. For example, a belt-buckle, a ring, a bracelet, etc. Hold the work being polished between finger-tips and thumb.

* DON’T WEAR RUBBER GLOVES OR FINER-STALLS WHEN POLISHING; these might wrap around the arbor.

* DON’T WORK WITHOUT SOME PROTECTION FOR THE EYES such as plastic goggles or a magnifying eye piece, particularly when using a rotating wire brush.

* DON’T LET YOUR TIE OR HAIR GET CAUGHT by the rotating arbor. This could be fatal.

* DON’T GET INTO CONTACT WITH ELECTRICITY OR BELTS. Don’t work on a wet or damp floor.

* DON’T FAIL TO REPORT ANY APPARENT HAZARD IMMEDIATELY.

WE REPEAT: “WORK SAFELY. YOU CAN’T GET BY ON LUCK”.

Just fail to observe these rules and you will find your situation comparable to that of the fellow whose wife had the stone-cutter carve on his tomb-stone, “I told you to go to the doctor”.

A LETTER FROM THE HARRISON COUNTY GEM & MINERAL SOCIETY

P.O. Box 3028, Bay St. Louis, MS 39521-3028

Dear Fellow Rockhounds:

We really do appreciate all the donations coming in. It really means a lot and helps us tremendously. Thank you!!!

Sadly, we must report that we are losing our founding father, Billy Wood. He is moving to Oklahoma. WE WILL MISS HIM!!! Billy is leaving a big gap in our club. We wish him and his family a lot of luck and happiness.

We have received several trim saws of various sizes and some rocks and slabs so the saws are being well used. The donated money will go toward purchasing Genies and Facet machines, Until we get our own, the Pearl River Rock Club is letting us use their travel workshop and Jim Dahlhausen sees to it that it arrives on time for our workshop.

We do not have a permanent place to hold our meeting and workshops. Until we find such, St. Anne’s Catholic Church of DeLisle, Ms is letting us use their Parish Hall to hold our workshops. It is not as large as we’d like but there is ample space and well lit with ample electric outlets and we are grateful.

Since Billy Wood will no longer be with us, we ask that future donations be sent to our President:

Graves Mountain "Rock Swap and Dig" for 2006
8:00 A.M. to 6:00 P.M.
April 28-30, 2006
and
October 6-8, 2006

"Your society is invited to field collect minerals at Georgia's premiere mineral location!"

The SFMS Field Trip Committee has been in contact with the caretaker in charge of Graves Mountain, Clarence Norman Jr., in regard to his plans to hold two separate three day digs and rock swaps on the Mountain during April 28, 29, & 30, 2006 and during October 6, 7, & 8, 2006. He will have the mountain open to collecting from 8 am to 6 pm each day. All participants must stop at the welcome table in the Hospitality tent to sign a liability release and make a small contribution to defray the cost of opening the mountain and providing port-o-lets. There will be several golf cart type, four wheeled vehicles available to transport those participants who have trouble walking long distances. The dig will cease and everyone is expected to be off the mountain by around 6 pm each day. Participants will be allowed to park in a designated area on the mountain.

Rock Swap and Hot Food/Drinks:
Junior will set aside an area in the upper parking lot for tables to be setup for daily rock swaps. Anyone who would like to setup a table(s), please contact Junior at the phone numbers listed below. Hot food cooked on the grill, cold drinks and chips will be available for purchase on the mountain during all three days of these events. Don't forget to bring some extra money to buy the special "Graves Mountain Rock Swap and Dig" T-shirt!

THESE DIGS ARE OPEN TO ALL SFMS CLUBS
Mark your calendar and tell all your members about these great events!

Contact Information:
Clarence Norman, Jr.

The entrance is a paved road that goes through a gate and up the hill to the parking area(s). Proceeded from your parked vehicle to the Registration/Hospitality tent to sign your liability release form and to make a donation for the portable bathrooms, etc.
