

bb. Show Consultant - Emerson Tucker

Many thanks to those that kept me informed about the show dates of their regional federation shows. Unfortunately, health issues this past year have kept me from keeping the records as current as they should be kept.

There aren't any regional show date conflicts for 2021.

Thanks to Ray Anderson of the Cedar Valley Rocks and Minerals Society for providing information about their very successful 2019 MWF/AFMS show.

### **2019 MWF-AFMS Gem Show & Convention**
