2019 AFMS Endowment Fund Chair - Cheryl Neary

Why contribute to the Endowment Fund? Simply, your donation of either an item donated to the fund or the purchase of tickets helps tremendously with this important fundraiser for the Federation. The interest from the monies generated is used for AFMS special projects, such as, junior badges, judges training, digitizing of slide programs, to name a few.

Tickets for the drawing are \$5.00 per ticket or 5 for \$20.00. You may purchase your tickets from your Federation's representative as follows:
