

The Toledo Gem and Rockhound Club Welcomes the MWF!

TGRC is pleased to welcome members of the Midwest Federation to our 50th Annual Jewelry, Gem and Mineral Show and Sale. This year's event is being held at the Pratt Pavilion of the Wood County Fairgrounds. This is a new venue for us, doubling the size of our previous venue, providing us with more space for growth. Although we will be limiting Club sponsored activities due to continued concerns with the pandemic, we are anticipating a great Show with a greater turnout. We already have over 20 vendors and are adding more as we go!

The Covid Pandemic has changed many things for all of us. Many club shows, meetings and events have been cancelled for most of the last year. In the middle of all of this, we were forced to find a new clubhouse location, renovate and reform ourselves. Our new location is at 2453 Tremainsville Road, Unit B, Toledo, Ohio 43613. We are blessed to have triple the space in a more modern facility. We now have separate shops for Lapidary, Metalsmithing and Faceting, as well as a General Purpose room for Beading, Wirewrap, Juniors and other classes.

We are happy to be getting back into the swing of things by reprising our 2011 Hosting of the MWF. For the convenience of all, we are holding all meetings at the Show venue, the Pratt Pavilion of the Wood County Fairgrounds, 13800 W Poe Road, In Bowling Green, Ohio. Each MWF Attendee will be given a free one day pass for the Show or the option to purchase a 3 day pass at \$5 off the regular price.

So without further ado, we welcome all members of the Midwest Federation and our fellow Rockhounds to enjoy our Show!

Sincerely,

Jerri A. Heer
